Always Think Safety!

Thank you for purchasing a Cushman product. You are one of our many customers who have voted their confidence in our company by purchasing our products.

This is one of the best designed and built pieces of commercial industrial and turf equipment available. Many safety features have been designed and built into this product. Please **Do Not remove or defeat any safety features** as they were installed for your protection.

The useful life and good service you obtain from your vehicle depends to a large extent on the way it is **maintained and operated**.

Treat your equipment properly, lubricate and adjust it as instructed in this manual and it will give you many years of reliable service.

See your Cushman dealer for service and parts. She/he stocks genuine Cushman parts manufactured with the same precision and skill as the original parts.

IMPORTANT!

This Manual Will Aid You In The Safe Operation And Proper Maintenance Of Your Equipment. Read Manual Thoroughly Before Attempting Operation. If Any Portion Is Not Clearly Understood, Contact An Authorized Dealer For Clarification.

GENERAL INFORMATION

This symbol is used throughout the manual to alert you to information about unsafe actions or situations, and will be followed by the word **DANGER**, **WARNING**, or **CAUTION**. **DANGER** indicates immediate hazards that may result in severe injury or death. **WARNING** indicates unsafe actions or situations that may cause severe injury, death and/or major equipment or property damage. **CAUTION** indicates unsafe actions or situations that may cause injury, and/or minor equipment or property damage.

NOTE: This symbol appears next to information or instructions which will help you operate and maintain your equipment the right way.

WARNING

The information and instructions included in this manual alert you to certain things you should do very carefully. If you do not, you could:

- hurt yourself or others
- hurt the next person who operates the equipment
- damage the equipment.

WARNING

- Keep bystanders away from the chain (or tow rope) when pulling or towing an object. Serious injury may result if the chain or tow rope should break or become disconnected.

- **Do Not** wrap or hook a chain (or tow rope) to the uprights or to the cross-tubes of the bumper for the purpose of towing.
- When using the front bumper to tow or pull an object with a chain, ***always*** attach the chain (or tow rope) hook into the slot located at the bottom of the bumper. Failure to do so may result in damage to the bumper and/or suspension frame.

TAILGATE UPDATE KIT, PART NO. 2700860
TURF TRUCKSTER MODELS 898652, 898659, 898662, 898664 & 898685
EQUIPPED WITH THE 60" BOXSIDES AND TAILGATE ACCESSORY (894770)

Some earlier turf models have been equipped with the 894770 60" Boxside and Tailgate Accessory.
The 894770 Accessory has been discontinued and replaced with the 2700437, 60" Box Sides & Tailgate Accessory.

This update kit was created to replace the tailgate and corner posts previously used in the 894770 Accessory
(See Service News 643). The new 2700437 Accessory has a tailgate which uses a cable latch system to release the tailgate.

If you are replacing the tailgate from the 894770 Accessory, you will need to install this kit (detailed installation instructions are included with the kit).

**5TH WHEEL IMPLEMENTS AND PRODUCTS
FOR USE WITH TURF TRUCKSTER MODELS
898650, 898652, 898659, 898662, 898663, 898664, 898684 & 898685
SOME OF THE PRODUCTS SHOWN BELOW REQUIRE THE USE OF THE
5TH WHEEL UPDATE KIT, PART NO. 894839
OR THE
5TH WHEEL ACCESSORY, PART NO. 894690**

<u>Model</u>	<u>Description</u>
898558A	GA 60 Aerator Heavy-duty twin aerating heads, floating turf guards and it's own source of power let you aerate up to 1.1 acres (0.5 ha/hr) per hour at a maximum coring depth of 4" (101.6 mm). Features a Cushman 327 liquid cooled engine; electric brakes and a 60" (1.5M) aerating width with variable hole patterns of 2.5" x 3.5" to 5" (64 mm x 89 mm to 127 mm). 8 individual tine arms with 3 tines per arm for a total of 24, 3/4" (19 mm) Clean Core tines.
898561	Top Dresser 2000 Features a unitized steel frame with a galvanized steel hopper that can hold up to 2,500 lbs. (1,134 kg) of material, yet exerts only 12 psi ground pressure. Hydraulic powered (operated from the drivers seat), ground speed governor and a consistent spreading thickness covering a 60" (1.5 M) swath, lets you cover large areas quickly and is light enough to use on greens.
898562A	Turf Master 300 Gal. Sprayer High capacity 300 gal. (1,140 L) to reduce time-consuming refills. Computer-based controls are available for absolute control over precision applications. Features a lightweight molded fiberglass tank, Triple Duece Venturi jet agitation, hydraulically driven centrifugal pump, hinged, leak-proof twist-lock lid and an external sight tube. Contact your nearest Cushman dealer for the different spray booms, boom controls and other accessories used with the sprayer.

ALSO AVAILABLE

892493	Accessory Lift and Storage rack Designed to allow one person to install or remove accessories from any Cushman Turf Truckster. Applicable accessories include. TD 1500, Vicon Spreader, Flatbed and Steel Box as well as others. It features a heavy-duty steel frame, self-locking winch and a rated capacity of 1,500 lbs. (680 kg).
890955	Quick Aerator Ideal for any turf area, including golf courses, athletic fields, industrial grounds, parks and cemeteries. With a maximum of 9 holes per sq. ft. it delivers a coring depth up to 5" (127 mm) with an aerating pattern of 6" x 7.75" (152 mm x 197 mm). The Quick Aerator covers a 46" (1.2M) swath using a variety of tine styles: double-sided slicing knives (standard), as well as 1/2" (13 mm) or 3/4" (19 mm) coring or open spoon tines.
